

## Churchwarden Vacancy

St. Leonard's now has a vacancy for a churchwarden and the PCC (Parochial Church Council) are looking for someone from within the village to fill this position. The basic requirements are that the person should be 21 years

or older, on the Church's electoral roll, have been baptised, attend services regularly and take communion at times throughout the year. The position is one of responsibility, challenging but also very interesting. If anyone is interested or would like more information on what the position entails, please contact Helen Cullen, either directly or via the "Contact Us" page on the village website [www.monyash.info](http://www.monyash.info) by clicking on the envelope at top right on any page).

If you are interested then perhaps consider joining the PCC in the first instance to form a view on what is involved. You would be most welcome.
