**Assisted collections:** If you receive an assisted collection you don't need to do anything. This service will continue on your new day.

**Household Waste (Grey bin / Black sacks)** For a few households there will be more than 14 days (including weekends) between your old and new collection day. For these properties **only**, on your first new collection day we will collect up to 2 additional black sacks of household waste.

**Recycling (Blue-lid bin, blue box or blue bag)** Excess recycling must be placed next to your recycling containers and easily identifiable, e.g. in clear bags/containers. Please keep paper and card separate.

**Garden (Green-lid bin)** If you subscribe to the garden waste collection service your collections will still take place on the same day as your recycling collections.
