

Home Upgrade Grant Scheme (Phase 2)

You may be eligible for FULLY funded:

- Loft Insulation
- Cavity Wall Insulation
- External Wall Insulation
- Air Source Heat Pumps
- Solar Panels

Exact works offered will depend on outcome of surveys and funding availability

Do you answer **YES** to **ALL** of the following?

- You do not have a mains gas heating system (i.e., you may be using electricity, solid-fuel, oil, LPG to heat your home)
- You are an owner-occupier or rent your home from a private landlord*
- Your home has an Energy Performance Certificate (EPC) of D or below (or you are not sure what the EPC rating is)
- Your household's combined annual income is under £36,000 (before tax), or you receive a qualifying means tested benefit

*All work is fully funded by the council for owner-occupiers. Private landlords will need to make a contribution in rented properties
