Four useful things to do:-

Firstly:-

Report the incident using the Online Reporting Form (Link; <https://www.derbyshire.police.uk/ro/report/asb/asb-v3/report-anti-social-behaviour/>). This is the fastest and easiest way to report the issue and goes directly to our local 'Safer Neighbourhood Team (Stanton, Youlgreave & White Peak Villages)'. Or use the QR code on this flow chart. Photos are always appreciated.

Or, if you prefer:-

Call 101 and report the incident. This will be dealt with by PC Shaun Jakins at the 'Safer Neighbourhood Team'.

Or:-

Report the incident using Facebook by contacting the 'Safer Neighbourhood Team (Bakewell, Hathersage & White Peak Villages)' page. The team is based at Chesterfield Police Station (Beetwell St, S40 1QP. Open Mon-Sat 10-4pm and Sun 10-2pm. Tel; 101). The key contacts are Sgt. Chris Grant, PC Shaun Jakins (specifically deals with Monyash), PCSO Supervisor Karl Millward or PCSO Anthony Boswell. Facebook is constantly checked by this team.

To influence the quarterly priorities for the local police force, fill in the online survey set up by Derbyshire Police ('Derbyshire Talking, Derbyshire Alert'). Explain your concerns for the village and help them to prioritise resources to areas of our local concern. Link; <https://www.derbyshirealert.co.uk/Content/Pages/Derbyshire-Talking>

Contact the Civil Enforcement Officer at Derbyshire County Council Tel; 01629 533190 or email them photos to contact_centre@derbyshire.gov.uk or parking@derbyshire.gov.uk

See it, Snap it, Report it.

Please remember; if you want to see improvements, you have to contact the right people with specifics about your concern. If they don't know about it, then resources or enforcement activities won't happen. Logging issues also helps the village to highlight the issues more widely; eg to the enforcement agencies, the local MP, the county council or to the Peak Park
