**Regreening**

An issue has arisen regards the recent regreening. One of the recipients wishes to discuss some concerns. Councillor Mudford and myself will be visiting the recipient the recipient to discuss and hopefully conclude the issues raised.

**Grassed area Shepley House**

It has become very apparent that the green space to the rear of Shepley House has been severely damaged through its constant use by patrons of the Smithy Café and other visitors. I have spoken with Dave and explained that its repair is a priority as it is the property of the Parish Council.

**Plan of works**

Shepley house forms Parish Council plan of works of ongoing works in and around the village, heralding the onset of Autumn and winter. Remedial repairs will be carried out on several village amenities

**War Memorial**

A resident has provided contact details of person with qualifications for renovating war memorials. I will be meeting with them soon.

**Working Party.**

The PC will be organising working parties across the next few weeks.  
Resident support will be much appreciated!

**Jack Mere**

Some repairs have been carried out to the car Park.

A plan of works will now be started to ensure, as far as possible that the car park is kept in good order throughout the year. The area where the Well Dressing is placed is going to be looked at for improvement.
