Monyash Parish Council

January 2026

Chair report

Parish Council Plan of Works for the next 12 months

A small amount has already been done consisting of complete War Memorial renovation and a recent full clean of the Bus shelter at the Village green

Other works include repairs to the Village Cross and the complete renovation of the grassed area at the rear of Shepley House which is Parish Council Land.

There will be several Village “Clean up” dates during January and ongoing.

Of course, our plans are at the mercy of the weather.

I would expect the major works to fully start in early April 2026

Other projects may include the erecting of a National Flag on the Village Green.

Residents Parking – Rakes rd.

An act of criminal damage has occurred to the resident parking sign affixed to the tree . This is a totally ridiculous thing to do. The sign was erected some time ago and has never previously been damaged. The PC will repair and manage its repositioning.
