Monyash Parish Council

Chairmans Report.

March 2026

Hate Crime

In late February we experienced a lovely sunny day.

Not surprisingly we were visited by many motorbikes.

A Facebook post was created within which views and comments were expressed by contributors.

Several of the posted comments were abusive.

One such comment constituted a clear hate crime under the Crime and Disorder act 1998.

I have submitted a crime report via the Derbyshire Constabulary Website.

I will keep everyone informed of its progress.

I have identified a potential suspect.

Frost Mere

The registration process is now complete.

We are just waiting on the final registration document and accompanying material.

It has been a long journey, but we finally got there.

Thanks to all who supported us.

Speed indicator Devices

The process around these devices continues.

I have been working alongside Council officials ensuring that legislation is correct.

Also the working group continue at the coalface pushing forward to make the lives of Monyash residents and visitors as safe as possible.

Again, the partnership work is excellent to see.
